

INDEX.

- A**BBE, ROBERT, Gastro-
tomy, 113; Enterostomy in
peritonitis, 117; Diagnosis
of tuberculosis of the kidney,
260; Perforating wound of liver,
kidney, pleura, and diaphragm;
recovery, 492.
- Abdominal cavity, Inspection of,
in post-mortems, 731.
- Abdominal wall, Sarcoma of, 363.
- Abscesses, cold, Treatment of, 393.
- Air-distention in operations upon
the biliary passages, 137.
- ALLIS, OSCAR H., Employment of
the needle-holder whenever in
surgical operations suturing is
required, 162, 263.
- American Year-Book of Medicine
and Surgery for 1899, Review of,
658.
- Amputation, Interseapulo-thora-
cic, 384.
- Amputation of the leg, Results
of von Bruns' subperiosteal
method of, 781.
- Anæsthesia, Solutions for local,
777.
- Anastomosis, intestinal, Forceps
for, 297.
- Anatomy, Surgical, Review of
Juvvara's lectures on, 786.
- Aneurism, Cirroid, of infectious
origin, 293; of the femoral ar-
tery, 357; Traumatic, of super-
ficial femoral artery, Excision of,
605; Popliteal, 608, 617.
- Aneurismal varix, Ligation of the
subclavian artery for, 618.
- Ankle, Dislocation at, through
astragalo-calcanean articulation,
645; Dislocation through as-
tragalo-tibial articulation, 647.
- Ankle-joint, Compound disloca-
tion of the, 634.
- Ankylosis, false, Use of the gal-
vanic current in the treatment
of, 551, 627.
- Ankylosis of the elbow-joint, 364.
- Antistreptococcic serum, Present
status of the, 648.
- Antitetanic serum, Large doses of,
used with success, 287.
- Appendicitis, Ventral hernia after
operations for, 625, 655.
- Appendix vermiformis, Perfora-
tion of, by a pin, 261.
- Arsenical caustic treatment of cu-
tananeous cancer, 649.
- Arthritis and cellulitis, acute in-
fection of, Surgical treatment of,
469.
- Arthrotomy for fracture of the
neck of the femur in a boy, 622.
- Astragalus, Comminuted fracture
of, with dislocation, 343; Exci-
sion of, in cases of talipes
equino-varus, 270, 632; Disloca-
tion of, from os calcis and
scaphoid, 645; Dislocation of,
from bones of leg, 647.
- B**ACTERIA, Pathogenic, Re-
view of McFarland's Text-
Book upon, 402.
- BARTON, J. M., Operative relief of
intestinal obstruction, 267.
- BECK, CARL, Case of transposed
viscera, with cholelithiasis, 593.
- Bile-duct, common, Suture of,
with aid of Halsted's hammer, 481.

- Biliary passages, Air-distention in operations upon the, 137.
- Bladder, Complete extirpation of the, for neoplasms, 378; Exstrophy of, 497; Fistulous opening into, from ileum, 69; Inguinal hernia of, 778; Suprapubic drainage of, 349.
- BOGART, JOHN BIGN, Surgery of empyema of the thorax in children, 455.
- BOLTON, PERCY R., Arthrotomy for fracture of the neck of the femur, 622.
- Bone and ivory grafts in cranial defects, Histological history of, 920.
- BREWER, GEORGE E., Old rupture of the quadriceps extensor tendon sutured, 490; Removal of external ear for epithelioma, 491; Report on the surgical anatomy of the gall-bladder and ducts, 721, 758; Posterior gastro-enterostomy, 751.
- BRIDGON, CHARLES K., Fracture of cervical vertebra, 341; Operation for cancer of penis, 342; Prostatectomy, 348; Removal of cervical lymphomata, 356; Removal of tongue for carcinoma, 361; Elbow-joint ankylosis, 364; Posterior gastro-enterostomy with Murphy's button, 485; Perforating wound of chest wall, 495; Excision of a traumatic aneurism of the superficial femoral artery, 605; Cases of popliteal aneurism, 608.
- BROWN, F. TILDEN, Fracture of the patella requiring excision of the knee, 490; Renal tuberclosis, 496; Nephrectomy for renal tuberclosis, 609; Gastric neer, Excision of, 629; Later history of tuberculous nreter after nephrectomy, 755.
- BROWN, GEORGE S., Operative relief of vesico-rectal fistula, 744.
- BUCHANAN, J. J., Report of a case in which Halsted's hammer was used as an aid to the suture of the common bile-duct, 481.
- Bullet, Action of the hollow-tip, 651.
